Graduate of Sam Ratulangi University majoring in Accounting with a GPA of 3.86. I have strong skills in financial recording, reporting, and analysis in both corporate and government sectors. With high dedication to the financial field, I am able to process data, prepare financial reports, and conduct analysis accurately and strategically. My abilities are supported by teamwork skills, effective communication, good time management, and resilience in facing pressure and solving challenges optimally. I also actively follow the development of digitalization and globalization in finance and the business world to apply innovative and strategic approaches in every aspect of finance.
